Section I

INVITATION FOR QUOTATIONS

The Chief Commissionerate for Afghan Refugees (CCAR) has received financing from the World Bank towards the cost of the Strengthening Institutions for Refugees Administration (SIRA) project, and intends to apply part of the proceeds towards payments under the Purchase Order(s)/ Agreement(s) "PO" for Procurement of IT Equipment, Security Equipment, Hybrid Biometric. This procurement process will be conducted in accordance with the Request for Quotations "RFQ" method as specified in the World Bank's "Procurement Regulations for IPF Borrowers" July 2016, revised September 2023 ("Procurement Regulations"), and is open to eligible Suppliers as defined in the Procurement Regulations 2023 and the procedures described herein.

1. LOT-wise Quotations are invited from the eligible suppliers (eligibility requirements are outlined in Section II) as per technical specifications (Technical specifications are outlined in Section III) of this RFQ.
2. Prospective suppliers may apply for one or more LOTs.
3. Offers determined to be substantially responsive to the technical specifications will only be considered.
4. The evaluation shall be carried out on the basis of 'LOTs' and PO/Agreement will be awarded to the supplier offering the lowest cost for each LOT.
5. The quotations should be accompanied by adequate technical documentation and catalogue(s) and other printed material or pertinent information for item quoted, including names and addresses of firms providing after sales service facilities in Pakistan.
6. Joint Venture is not allowed.
7. Supply, Installation, commissioning and testing, where applicable, is the defined responsibility of Supplier. The supplier is encouraged to visit at his/her own responsibility, cost, and risk and examine the site of the Supplies and obtain all information that may be necessary for preparing the quotation(s) and entering into an Agreement.
8. Suppliers may obtain further information from the office of the undersigned during **10:00 AM – 03:00 PM (Monday to Friday)** latest by two business days prior to the deadline for quotations submission date.
9. The prices should be quoted in Pak Rupees on DDP (Delivered Duty Paid) basis inclusive of all supply/ delivery charges, incidental charges and all admissible taxes till the final destination/ project site. The Supplier shall fill in the rates and prices for all items of the Supplies described in the specifications.
10. Payment shall be made in the Pakistani Currency (Rupees) of the Quotation and will be subject to the Government Taxes as applicable and set by the Government - submission of Sales Tax Invoice is mandatory provided the cost of items includes the same. Payment shall be allowed for partial delivery. 80% payment shall be made on satisfactory

delivery of items and 20% payment shall be made on inspection (**including installation – if/ where applicable**), **submission of delivery challan, invoice and issuance of acceptance certificate or QC/Inspection report at the Purchaser's site after deduction of applicable taxes.**

11. The Supplier should warrant that the products supplied under the PO/Agreement are new, unused and as per specifications provided in the RFQ. The supplier should further warrant that all Goods supplied under this PO/Agreement shall have no latent defect or a defect, by default arising from design, materials, or workmanship or from any act or omission of the Supplier that may develop under normal use of the supplied Goods in the conditions prevailing in the country of final destination.
12. The successful Supplier shall provide a **performance bond** equal to **10%** of the total order value in shape of bank guarantee issued by any Scheduled Bank of Pakistan in favor of CCAR SIRA Project valid till one year of warranty/defect liability period (whichever is applicable) and will be released upon after expiry of warranty/defect liability period. CCAR SIRA Project reserves the right of confiscate the performance security in case of any non-performance by the successful Supplier.
13. Comprehensive warranty shall remain valid for at least One (01) year from the date of delivery/ acceptance certificate or QC/Inspection report (and installation) of the products. The Supplier will provide full support during the warranty period, including the up gradation of new firmware, patches and hardware replacement, within minimum reasonable time but not exceeding 5 business days, completely free of cost to the purchaser.
14. The quotation(s) should be valid for a period of 45 days from the closing date of submission of the quotation(s). The Purchaser may, in writing, request the Suppliers to extend the period of validity for a specified additional period. A supplier refusing the request may withdraw his/her quotation without any penalty.
15. Duration of delivery is ten (10) weeks and will begin from the date of issuance of PO/signing of contract with successful supplier.
16. Destination for delivery is the office of the undersigned or address specified by the purchaser at Islamabad.
17. In case of any delay in completion of Delivery **Liquidated Damages (LD) @ 0.1%** of the total value of the delayed item per day up to a maximum of **10%** of the total value of the delayed item in the contract shall be charged.
18. The Supplier must provide an item-by-item commentary on the Technical Requirements, demonstrating the substantial responsiveness of the overall Goods offered to those Requirements.
19. Each supplier shall quote their own brand by explicitly mentioning the Names, Models, and Serial Numbers along with country of origin.
20. All documents relating to the RFQ, Quotations and PO/Agreement shall be in the English language.

21. A correction for any arithmetic error in the price quotation will be made as follows;

- where there is a discrepancy between amounts in figures and in words, the amount in words will govern;
- where there is a discrepancy between the unit rate and the line-item total resulting from multiplying the unit rate by the quantity, the unit rate as quoted will govern;
- If a Supplier refuses to accept the correction, his/her Quotation will be rejected.
- In case of tie, the PO/Agreement shall be issued to the firm which is more experienced.

22. Any quotation not received as per terms and conditions laid down in this RFQ document are liable to be ignored. No offer shall be considered if:

- It is received without Affidavit.
- It is received after the date and time fixed for its receipt;
- The offer is ambiguous;
- The offer is conditional;

23. Purchaser reserves the right to accept or reject any quotation, and to cancel the process of competition and reject any or all quotations, at any time prior to the award of the PO/Agreement, without thereby incurring any liability to the affected Supplier(s).

24. The Purchaser, reserves the right to increase or decrease quantities of supplies.

25. The Purchaser is not responsible for any wrong interpretation of any clause of this document.

26. **Documents Comprising the Quotation:** In addition to the documents required in the eligibility criteria, the Quotation submitted by the Supplier shall comprise the following documents as well:

Annex-A

Fraud and Corruption (Text in this Appendix shall not be modified)

1. Purpose

1.1 The Bank's Anti-Corruption Guidelines and this annex apply with respect to procurement under Bank Investment Project Financing operations.

2. Requirements

2.1 The Bank requires that Borrowers (including beneficiaries of Bank financing); bidders (applicants/proposers), consultants, contractors and suppliers; any sub-contractors, sub-consultants, service providers or suppliers; any agents (whether declared or not); and any of their personnel, observe the highest standard of ethics during the procurement process, selection and contract execution of Bank-financed contracts, and refrain from Fraud and Corruption.

2.2 To this end, the Bank:

- a. Defines, for the purposes of this provision, the terms set forth below as follows:
 - i. "Corrupt practice" is the offering, giving, receiving, or soliciting, directly or indirectly, of anything of value to influence improperly the actions of another party;
 - ii. "Fraudulent practice" is any act or omission, including misrepresentation, that knowingly or recklessly misleads, or attempts to mislead, a party to obtain financial or other benefit or to avoid an obligation;
 - iii. "Collusive practice" is an arrangement between two or more parties designed to achieve an improper purpose, including to influence improperly the actions of another party;
 - iv. "Coercive practice" is impairing or harming, or threatening to impair or harm, directly or indirectly, any party or the property of the party to influence improperly the actions of a party;
 - v. "Obstructive practice" is:
 - (a) deliberately destroying, falsifying, altering, or concealing of evidence material to the investigation or making false statements to investigators in order to materially impede a Bank investigation into allegations of a corrupt, fraudulent, coercive, or collusive practice; and/or threatening, harassing, or intimidating any party to prevent it from disclosing its knowledge of matters relevant to the investigation or from pursuing the investigation; or
 - (b) acts intended to materially impede the exercise of the Bank's inspection and audit rights provided for under paragraph 2.2 e. below.
- b. Rejects a proposal for award if the Bank determines that the firm or individual recommended for award, any of its personnel, or its agents, or its sub-consultants, sub-contractors, service providers, suppliers and/ or their employees, has, directly or indirectly, engaged in corrupt, fraudulent, collusive, coercive, or obstructive practices in competing for the contract in question;
- c. In addition to the legal remedies set out in the relevant Legal Agreement, may take other appropriate actions, including declaring mis-procurement, if the Bank determines at any time that representatives of the Borrower or of a recipient of any

part of the proceeds of the loan engaged in corrupt, fraudulent, collusive, coercive, or obstructive practices during the procurement process, selection and/or execution of the contract in question, without the Borrower having taken timely and appropriate action satisfactory to the Bank to address such practices when they occur, including by failing to inform the Bank in a timely manner at the time they knew of the practices;

- d. Pursuant to the Bank's Anti- Corruption Guidelines and in accordance with the Bank's prevailing sanctions policies and procedures, may sanction a firm or individual, either indefinitely or for a stated period of time, including by publicly declaring such firm or individual ineligible (i) to be awarded or otherwise benefit from a Bank-financed contract, financially or in any other manner;¹ (ii) to be a nominated² sub-contractor, consultant, manufacturer or supplier, or service provider of an otherwise eligible firm being awarded a Bank-financed contract; and (iii) to receive the proceeds of any loan made by the Bank or otherwise to participate further in the preparation or implementation of any Bank-financed project;
- e. Requires that a clause be included in bidding/request for proposals documents and in contracts financed by a Bank loan, requiring (i) bidders (applicants/proposers), consultants, contractors, and suppliers, and their sub-contractors, sub-consultants, service providers, suppliers, agents personnel, permit the Bank to inspect³ all accounts, records and other documents relating to the procurement process, selection and/or contract execution,, and to have them audited by auditors appointed by the Bank.

¹ For the avoidance of doubt, a sanctioned party's ineligibility to be awarded a contract shall include, without limitation, (i) applying for pre-qualification, expressing interest in a consultancy, and bidding, either directly or as a nominated sub-contractor, nominated consultant, nominated manufacturer or supplier, or nominated service provider, in respect of such contract, and (ii) entering into an addendum or amendment introducing a material modification to any existing contract.

² A nominated sub-contractor, nominated consultant, nominated manufacturer or supplier, or nominated service provider (different names are used depending on the particular bidding document) is one which has been: (i) included by the bidder in its pre-qualification application or bid because it brings specific and critical experience and know-how that allow the bidder to meet the qualification requirements for the particular bid; or (ii) appointed by the Borrower.

³ Inspections in this context usually are investigative (i.e., forensic) in nature. They involve fact-finding activities undertaken by the Bank or persons appointed by the Bank to address specific matters related to investigations/audits, such as evaluating the veracity of an allegation of possible Fraud and Corruption, through the appropriate mechanisms. Such activity includes but is not limited to: accessing and examining a firm's or individual's financial records and information, and making copies thereof as relevant; accessing and examining any other documents, data and information (whether in hard copy or electronic format) deemed relevant for the investigation/audit, and making copies thereof as relevant; interviewing staff and other relevant individuals; performing physical inspections and site visits; and obtaining third party verification of information.
